

# KLAJDI AJDINI

## WEB DEVELOPER

### / ALL ABOUT ME

I am passionate and hardworking developer with a big love for web development. I am always keen on learning new and exciting technologies that can improve a user's experience on the web.

In my free time, I enjoy working with other people on coding projects because it is very valuable to share the knowledge and learn from each other.

Last but not least, I am a perfectionist. I always try to get the top results and give 110% of myself in any given task.
